

**UPONOR CORPORATION
ANNUAL GENERAL MEETING ON FRIDAY, 17 MARCH 2023 AT 13:00 EET
ARRIVAL AND PARKING INSTRUCTIONS**

The Annual General Meeting will be held in the Paavo Hall of Music House (Musiikkitalo), located in Mannerheimintie 13 A, 00100 Helsinki.

The renovation of Mannerheimintie will start on 6 March 2023, beginning with the section of Mannerheimintie between Postikatu and Runeberginkatu. The renovation will impact mobility to and around Music House during the Uponor Corporation Annual General Meeting. At the time, the area under renovation reaches from Kiasma to the Opera House. Up to date information about the renovation project can be found on www.hel.fi/mannerheimintie.

The renovation might cause challenges in transportation to Music House from the Mannerheimintie direction. We recommend scheduling enough time for transportation and when possible, using the Kansalaistori side of Music House for entrance. During the Mannerheimintie renovation trams 4 and 10, along with several bus routes, will use an alternating route from regular. The nearest public transport stops are Rautatieasema and Lasipalatsi. Up to date information about public transport stops and routes can be found on HSL Journey Planner. When arriving by car, please note, that the Mannerheimintie renovation will cause delays in travel time.

When arriving by taxi, taxis will pick up and drop off passengers at the Mannerheimintie entrance. Disabled taxis can drop off and pick up customers at the Kansalaistori entrance, which has level access to the building.

Meeting attendees can also park free of charge at the Aimo Park Finlandia parking garage, which has an indoor lift access directly to the Music House main lobby. The entrance to the parking garage is through Karamziniranta. When driving into the parking garage, please take a parking ticket from the ticket machine. The ticket is needed when leaving the parking garage, so it should not be discarded before that. We recommend parking at the lowest level of the parking garage, where also the disabled parking spots are located.

Uponor Corporation will cover the parking fees for the meeting attendees. The staff at the cloakroom provides credit tickets for parking on request. When leaving the parking garage please first enter the parking ticket to the machine. After that, please enter the credit ticket provided by staff to pay for the parking. Meeting attendees who use Taskuparkki -application and wish to use the credit ticket to pay for parking, should turn off camera-identification on the application.
